¹High school graduation year = the year in which the student graduated from high school. For example, a student who graduated between September 1, 2011 and August 31, 2012 graduated in the 2011-2012 academic year.

²Home educated students who are unable to document a college-preparatory curriculum and wish to earn an FMS award, must earn a 1070 SAT or 23 ACT; and as of 2013-14 must earn a 1220 SAT or 27 ACT.

³All students are required to file a complete and error-free Free Application for Federal Student Aid (FAFSA) prior to disbursement.

⁴Extended hours of funding are available to FAS and FMS recipients in a single program of study requiring more than 120 hours to complete.

⁵Exception to the maximum number of years to begin receiving funding is made for students who are active military.

⁶Students unable to complete their program after 5 academic years may be granted a 1-year extension to the renewal timeframe due to a verifiable illness or other documented emergency.

⁷The award may **not** be restored if it was lost due to insufficient hours prior to the 2009-10 academic year.

⁸FAS & FMS scholars completing a baccalaureate degree in 2010-11 or later within 7 semesters (or equivalent hours) or fewer, may receive 1 term of graduate funding, up to 15 semester hours, paid at the undergraduate rate.
