

Summer Reading

First Academy of Leesburg

2nd - 8th Grade

Summer is here! It is time to grab that great book and read. We have set up a little reward system using our AR program for this year's summer reading. Reading is a huge component to success, so we encourage everyone to dive into a good book this summer. Twenty minutes per day would be a great start.

Here is how it works:

Read a book, take an AR test using the online link. We will print your points in August when we return. Coach Scarbrough will deliver your prizes! Please email your pictures to Coach Scarbrough with a great book you have read. We are making a slide show called Summer Reading the FA Way!
